OUR VISION

MULTIPLYING DISCIPLES // TRANSFORMING LIVES

OUR MISSION

TO FOLLOW JESUS CHRIST,
GROW AS HIS DISCIPLES,
SERVING AND TELLING OTHERS,
SO THAT ALL MAY KNOW HIM
AS SAVIOR AND LORD.

P A S T O R ' S N O T E

The Church in the United States stands at a crossroads and our denomination, the LCMS, even more so. Our culture is changing, fewer people are affiliating themselves with Christianity, and our own denomination lost more than 400,000 members over the last five years. In the midst of the upheaval, I see opportunity, a great opportunity, for the Church to operate not simply as an institution concerned with pleasing her customer, but as a movement concerned with living out the great command of Jesus to Love God and Love People.

At Woodbury Lutheran Church our Vision is **Multiplying Disciples // Transforming Lives**. In 2019 we saw this vision come to life in amazing ways through the unleashed power of Jesus. As our two-year Multiply journey has come to an end, we recognize the incredible blessings we have experienced. Strong financial giving has allowed us to do ongoing ministry, to reach into new areas, and to prepare for where God will lead us next. Our Transformational Ministries bear the fingerprints of the Holy Spirit across the spectrum. This year alone we celebrated 99 baptisms! More than 1,500 people gathered weekly in worship, hundreds grew together in small groups, and the impact of our mission work, locally and globally, cannot be understated.

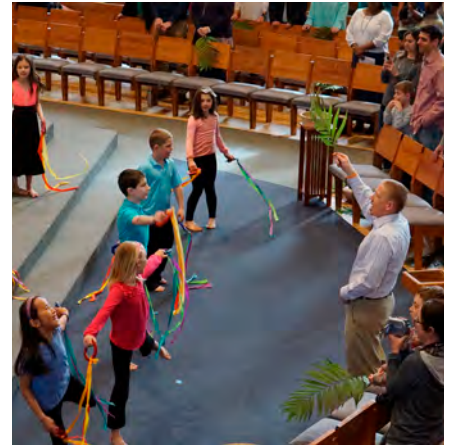

Recently, following one of our weekend services, I was stopped by a young lady who had been coming to worship for a few weeks as a caregiver for one of our special needs worshipers. She shared how her entire family came from a Muslim background, but something was stirring in her heart for Jesus. With tears in her eyes and a big smile on her face she said, "Pastor Tom, I love Jesus and I want to know Him more and more."

A young man walked through the doors of our Liberty Ridge Campus, was baptized that same day, and is now praying about becoming a pastor. A young woman with a Buddhist background was invited to a Christmas service and is now exploring Jesus in Starting Point. A middle aged man is going through a tough time in his life, but, at the invitation of a friend, is finding hope at WLC. What we do matters! There is transformation in Jesus!

Multiplying Disciples // Transforming Lives is more than just words on paper. Our Vision is all about Jesus unleashing His power in us, our relationships, our communities, and His world.

Please take a few minutes to page through this report, see the power of Jesus at work, and join me in giving thanks for His faithfulness!

Following Jesus,
Pastor Tom

*Liberty Ridge is more than a church... it's where my soul feels at home. No matter what happens, I feel connected at Liberty Ridge because it is led through heart... I haven't felt so connected to a church in my life. From my 1-year experience here, we've embodied 1 John 4:7-10. - **Nathan Hazlett | LIBERTY RIDGE***

*My son loves the kids in his Sunday School and VBS classes. He has had wonderful adult leaders that teach him new things and challenge him to continue to grow in his faith through various activities and challenges. He has become more observant of others and more grateful for the blessings that we all too often take for granted. He's learned what a blessing it is to be able to help others who need it and to really live life with an attitude of gratitude. - **Dana Pederson | OAK HILL***

*For 27 years I have seen how the ministries of Woodbury Lutheran Church have nurtured four generations of my family. The Lord rescued, healed, and restored me here at Valley Creek. And like Peter's mother-in-law (Luke 4:39), he's called me to serve Him here, too. - **Nora Foster** | **VALLEY CREEK***

"I'm not sure you realize how appreciated it is to have the live-stream of the worship service at Woodbury Lutheran for us to watch, as well as the monthly live service with communion here at The Waters. We are blessed!"

- Mary, a resident of The Waters Senior Living Community

“

Mike and I enjoy watching the live-stream when we are feeling under the weather and need to stay home. It's wonderful to still experience worship in a beautiful way even though we need to be away for a week.

“I absolutely love worship here at WLC. Sometimes I am pulling out the hymnal, and other times I am singing with my hands raised to modern worship music. No matter what type of music it is, which campus it’s at, or even who’s making the music, Jesus is always at the center of worship here. The music helps express God’s love in a way words alone cannot.” - Maggie Law

*Mason absolutely loves coming to youth group. He has really connected with the boys in his group and also with his leaders. Last summer, my son, Owen, and I joined the Quito mission trip team. That inspired me to seek out a small group for the first time because it actually demonstrated to me that life is better together. I have been hearing it for years but never acted on it, and I am so glad that I finally took the opportunity to do something about it.

*I am so thankful that our church makes service such a priority. Serving was not part of my childhood church, nor a priority for my family as I was growing up. Now I can say it is the most important part of my life, and it is such a blessing that my kids can be part of that. It changes everything. - **Tim Zeller***

*We feel called to be generous because God has blessed us in so many ways. We are so grateful for what we have received that our response to that is to bless others. - **John & Jenelle Rodemeyer***

“

*I had never tithed before coming to Woodbury Lutheran. I had given here and there and “gave what we could” and sadly it wasn’t until we went into Financial Peace that we decided to finally trust God and His word. That was 10 years ago. That simple leap of faith was hard...BUT giving is an amazing thing. We are more blessed now than we can even start to list, so when we started the multiply campaign two years ago we felt pushed to up our tithe to 12%. It was a time where we had 2 young children, one of which was ill. But it was still a “no-brainer” for both my wife and me. God can do more with that 12% then we could do with our 88%. And it has helped shape our now family of 5 for the better! It’s changed our family forever! - **Jake & Tara Dalbec***

MULTIPLY WRAP-UP

WOODBURY LUTHERAN CHURCH

PASTOR'S NOTE

What if... by God's power we could **Multiply** what we are doing missionally? What if... by God's power we could **Multiply** a multisite war chest that would allow us to be ready for future campuses? What if... by God's power we could **Multiply** our effectiveness by cutting our debt? What if... by God's power we could **Multiply** our spiritual impact on members and guests by refreshing our current worship spaces?

In 2017, we asked these questions as we started into a two-year initiative called **Multiply**. At the heart of **Multiply** was this prayer, "Jesus, unleash Your power in us, our relationships, our communities, and in Your world." God has answered that prayer in some incredible ways. Almost 99% of the \$8.4 million goal was contributed.

1 million meals will be provided to hungry children all around the world through Feed My Starving Children. More than 600 children are sponsored in Bangladesh, Ethiopia, and Jamaica. Almost 5,000 children now have access to clean water because of our Team World Vision runners. Our debt was reduced another \$500,000 to \$1.2 million. Almost \$450,000 has been set aside for a future location. I could go on and on... So please check out the following pages to see just how amazing God has been through these two years of **Multiply**!

Thank you, Jesus, for unleashing Your power in so many incredible ways. All glory is given to You!
