

We Have a New Look!

Over the last couple of months, the communication team at WLC has been working on some new designs for our monthly newsletter. We tested and researched some different looks and had some fun using our creative gifts.

This month we are debuting the new look! We hope you enjoy our newsletter and find some great tidbits of information packed in this month and in the months to come. Our goal is to have our monthly newsletter continue to keep you informed and give you useful information along the way.

Along with our new look, all of our articles and new pieces have a “new” theme. You can look forward to a different theme each month.

If you have any questions, please contact Mary Law at lawm@woodburylutheran.org.

For now, happy reading!

All Things New...

If you are anything like me, then you like new! Is there anything better than putting on a pair of new socks for the very first time? How about that new car smell; or the excitement of waiting for that new gadget to arrive from Amazon?

New is awesome, but it can also be overwhelming.

Think about a refugee coming to a new country or your first day at a new school. Over the past several months we have been introduced to all kinds of new thanks to something that we cannot even see. Covid-19 has literally reshaped our world. With this virus has come all kinds of new; like school and church and work all from home through a video screen. When I was a kid I imagined how amazing it would be to be able to talk to someone who was far away and still see them. I am not so sure I am all that excited by it anymore.

Not only has Covid-19 introduced us to new things, it is also bringing out the old Adam and Eve that each of us carry. **What I mean is that sin is rearing itself in new ways** (...ok they are really old ways :)) in the way we treat each other in debates over things like masks and how real or not real this virus is.

In the midst of it all I have **found myself yearning for the day when Jesus will make all things new again.** In John 14 Jesus promises His disciples that He is going away to prepare a place for them and that He will come back so that they can be with Him. In Revelation 21 we get a description of the new heavens and the new earth that Jesus is preparing for us to spend eternity in with Him.

In the midst of this beautiful description of what will be, we hear these amazing words in Revelation 21:3 from heaven about Jesus:

*“Look, God’s home is now among His people! **He will live with them, and they will be His people.** God Himself will be with them. **He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever.**”*

As we wait for Jesus to make all things new again, we do so with hope, a real and lasting hope that is rooted in the truth that Jesus died and rose from the dead. How can you engage the truth of that message more and more in your everyday lives as we continue in these strange days? Let me offer four ways to stay engaged:

- Continue to make **Worship** a priority, whether it is in-person, online, in a parking lot or in a field.
- Make sure that you are **Growing** with other disciples; a **Small Group** is a great way to do this.
- Continue to find ways to **Serve** others; **Serventure** is a great way to do this!
- Pray about who you can be **Reaching** out to with the Good News of Jesus.

Hold on to the truth that Jesus is coming and that will be a “new” that we do not want anyone to miss!

Peace,
Tom Pfothenhauer, Sr. Pastor

Greetings from our New Vicar, Andrew Asp

Greetings in Christ!

My name is Andrew Asp and I have recently been assigned for vicarage at Woodbury Lutheran Church. I am humbled to accept this assignment, as I am confident that Woodbury Lutheran will provide a rich and edifying vicarage experience. My wife Maddie and I are extremely excited to meet you all in person, very soon. We have always loved a strong sense of community which has accompanied the churches we have attended, and WLC seems to have that in spades. There is a certain 'warmth' which, even while experiencing this church online, is very apparent. So, we are excited to call this place home, at least for a year.

Maddie and I are both from the Twin Cities area. I am from Fridley, Maddie is from Vadnais Heights, and we met in high school at Concordia Academy, Roseville. Maddie attended Dordt College in Sioux Center, IA, and I went to Bethany Lutheran College, in Mankato, MN. Shortly after college, Maddie and I were married and settled down in New Brighton. There, I worked part-time as a youth group director and full-time business manager. In the meantime, Maddie earned her Master's in Social Work and then began work as a mental health therapist in the Twin Cities.

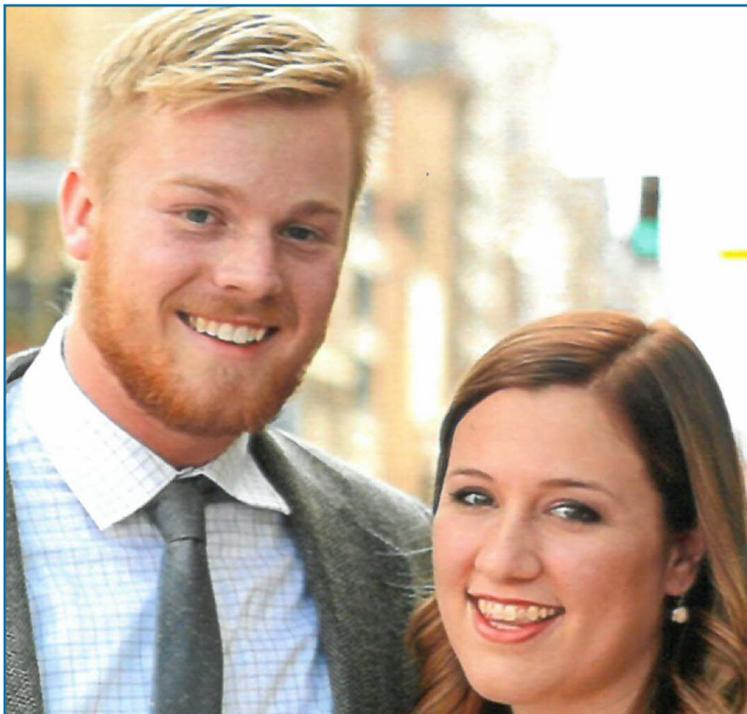

Recently, we have been blessed by the birth of our beautiful daughter, Claire. She is almost nine months old now and her smile brightens the room. Claire's grandparents are especially excited about our placement, as they will be able to see Claire on a much more frequent basis. Though, as excited as we are for Claire to be close to grandparents, we are even more excited about the ministry we will be involved in at Woodbury Lutheran.

On a personal note, I am chomping at the bit to get started. Pastoral ministry, for me, has been a dream of mine since high school. More recently, my work in youth ministry has provided me a taste of the joy that ministry can bring. And my studies at the Seminary over the last couple of years have provided a depth of understanding and renewed appreciation for the importance of ministry in the lives of believers. Put simply, I am excited to start putting into practice the things which I have learned, seen, and experienced.

So, I eagerly anticipate our arrival at Woodbury Lutheran. We pray that this next year will be a blessing for us; and we pray that we can be a blessing to Woodbury Lutheran. May God continue to bless your ministry in the days and weeks to come, until we can meet in person.

Peace,
Andrew Asp
Vicar 2020-21,
Woodbury Lutheran Church

Saying Goodbye to Vicar Quincy & Courtney Koll

Each year we are blessed to support and nurture the growth of a young man who is studying to be a pastor, this year it was Vicar Quincy. By welcoming him and Courtney into our church family this past year, we continued to model our Value of Each Person.

We are inviting members and friends to consider writing Quincy an encouraging note and, if you are led, to include a gift card or a check (made out directly to Quincy Koll) to will help him cover expenses as he finishes up studying for the ministry. You can mail that card directly to Quincy at 12 Founders Way, Unit B, St. Louis, MO 63105, or you can drop off a card for Quincy & Courtney at the Valley Creek Office.

August In-Person Worship

It's Back! On August 9th we will all gather together for another All-Campus Parking Lot Worship Service! We will celebrate communion in this drive-In style gathering at our Valley Creek Campus @ **9:00am!** Drive In, tune In, and join us for worship on 91.7FM!

Online Services will continue with our regular schedule. at [live.woodburylutheran.org](https://www.live.woodburylutheran.org)

Some Things New

So much has changed. It feels like so much continues to change... it's like everything's new.

Four months ago when the impact of the COVID-19 pandemic hit we unexpectedly moved away from a robust weekend schedule at all three of our campuses for a total of seven "in-person" worship services AND two online worship services.

Since then we have tried/added all sorts of new things to our options of how we gather to worship:

- Online services (including ALL of our Holy Week services)
- Thursday evening Prayer/Praise gatherings on the Afton land
- Drive-in style services with our very own 91.7 WLCFM limited-broadcast range station,
- WORSHIP | TOGETHER - the gathering of all 3 campuses at Afton Land on June 28
- And most recently, several weeks of "re-opening" gatherings at 2 of our 3 campuses

(Check out this photo album of some of our changes in worship during COVID-19 :: [SOME new things.](#))

We've gone through a lot of change. There are a lot of NEW THINGS we have done when it comes to the where/how we worship - and in the middle of all these new things there is an ANCIENT TRUTH that remains.

In John 4, during Jesus' encounter with a Samaritan woman at a well he said this: *"Believe me, dear woman, the time is coming when it will no longer matter whether you worship the Father on this mountain or in Jerusalem. But the time is coming—indeed it's here now—when true worshipers will worship the Father in spirit and in truth. The Father is looking for those who will worship him that way. For God is Spirit, so those who worship him must worship in spirit and in truth."*

In these last several months, we have been given an opportunity, in part, to lean into what this means: it doesn't matter WHERE we worship. Woodbury Lutheran has learned

(or perhaps is only starting to learn) that a campus building or a trailer full of gear isn't the point. Neither is "your" pew. Your preferred schedule or even the style. You can remove any of those - and still have worship. But in the middle of this season of "all things new" - in the middle of all this change and all this loss... consider those words of Jesus and what it would mean if we were to **remove the spirit and keep only the truth OR remove the truth and keep only the spirit.** We need both spirit AND truth. Just like He said. Imagine that!? Jesus was right. This is an old truth that is still true today: we are still His people focused on and around His Word. Our highest act of worship is to receive the TRUTH of the forgiveness of our sins from the Father through the sacrifice of His son, Jesus - and then, in response, return to Him our SPIRIT's thankful praise.

We live in a time where change is the order of the day. With the God-given directive to reach the lost and disciple the saved in every situation we will see that worship venues, schedules, orders and ceremonies, hymns and songs will undoubtedly change...but the message that Jesus promises to make "All Things New" never will.

Summer Study 2020: No Different!

It's been a beautiful Minnesota summer and for most of us this season brings a drastically different schedule and pace to our lives. Not surprisingly, as WLC families encounter this shift so does our youth ministry programming. Many small group leaders use this season to recharge, families travel, and folks are out and about enjoying the weather. This combination sets the stage for one of the youth staff's favorite ministries of the year...Summer Bible Study.

Historically the WLC Youth Summer Study has been a smaller group of students and leaders that gather for intentional fellowship and a focused study of various books of the Bible. Certainly the current pandemic has required a few adjustments, but in many ways this year has been no different!

Similar to previous years, youth and adult leaders have gathered around the word on Wednesday nights. We've done that this year through a study of the Psalms by "type" (praise, lament, thanksgiving, etc.) which has been quite enlightening. And although we're meeting in the familiar venues of the Oak Hill and Valley Creek campuses, we've done so outdoors, online, and recently indoors as well.

We've also seen great fellowship occur just like in other years. Oak Hill students linger long after group is over, in-person students chat with their friends that are joining online, and buddies who haven't seen each other in months have been able to be within 6' of each other!

As in the past, this study continues to be an on-ramp for students. We've had many 6th graders get their first taste of youth ministry and several 9th graders have moved up into the high school group this summer. Additionally we've seen several new students check out WLC for the first time and existing students haven't been shy about bringing guests!

It's been hard to call this summer "business as usual", but the familiar movement and work of the Holy Spirit has been as present as always. As we look ahead towards fall, we're using the final weeks of this study to learn how to best do ministry in a socially-distanced, online and in-person hybrid environment. We know that youth ministry in the coming school year will look different... but more importantly we know that the work of the Spirit will be the same as always!

Patrick Brewer | Director of High School Youth Ministry

Peaches Update

As a reminder, there was a late frost that is preventing us from having our annual Peach sale this year. Many thanks to Steve and Donna Retter for all their work and your willingness to buy delicious peaches making that youth scholarship fundraiser a such a success over the years.

Youth Garage Sale Update

While there is not a Youth Garage sale scheduled for 2020, we are planning to participate in the Woodbury Garage Sale in May of 2021. Thanks to Shanna Salzman and her leadership and all of y'all for sharing your treasures with us!

Serventure Success!

Serventure was a new adventure for us this summer. Grace Kehl, Jill Olson, Willy Mzenga, Mike Sabbann, Brad Miller and Lindsey Schmidt took on the task of leading and coordinating opportunities for all of us (toddlers to grandparents) to serve and build relationships in the name of Jesus. This team, along with 12 other project leaders, helped make our first two Serventure weekends such a success!

What a blessing it has been to serve with over 230 of you as we've developed new friendships, spent time together in devotions and prayer, gotten dirty as we've tended and harvested 314 pounds of vegetables with the WLC garden crew, painted and cleaned at Trinity First Lutheran school, built 60 ft of fence, weeded and mulched for teachers, washed windows, assembled over one hundred snack bags for Ronald McDonald house, cleaned gutters, filled 80 family fun boxes for Trinity First families, collected diapers, prepped mailings, and organized at New Life Family Services, and made gifts that bring encouragement to others (succulent pots delivered to 10 different senior housing locations

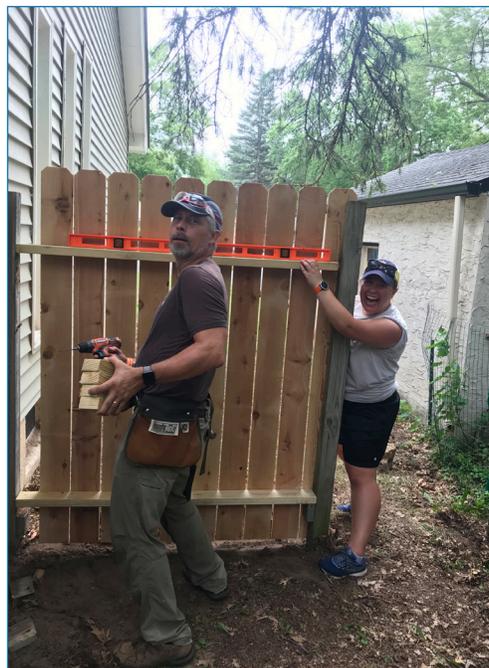

and 31 tie blankets for women and children, at a local women's shelter). We have spent over 725 hours served so far alongside 17 organizations and families who invited us to lend a helping hand.

"Thank YOU!!! These care packages (Trinity First Family Fun Boxes) are INCREDIBLE! Our families are so blessed."
Carrie Butcher (Trinity First School Community Support Coordinator)

Our final Serventure of the

summer is coming up (Aug 13-15)! We'd love to serve with you! We're partnering with New Life Family Services, the WLC Garden, Ronald McDonald House, Trinity First Lutheran School, WLC preschool, Valley Outreach food shelf, and there's a Family Fun Serventure Event in the works for Saturday morning, August 15th!

Lindsey Schmidt | Director of Middle School Youth Ministry

What if God Gave You a NEW or a RENEWEd Heart for Prayer?

Everyday Joes and Jodys (like you and me) are invited to be part of what Jesus is doing in people's lives. One simple way is through **prayer!** Everyday in August we'll be praying for local and international missionaries and ministries. It all starts August 1, but you can jump in at any time.

7 days of prayer (we'll rotate through these 4 times in August)

Saturday: Pray for Pastor Demelesh Yosef of St. Paul: provision of a youth pastor for the Oromo (Ethiopian) Ev. Lutheran Church that meets at Emmaus Lutheran in St. Paul.

Sunday: Pray for Dario & Juanita Guerrero, to be newly settled in LaEsperanza, Paraguay: that relationships with villagers will be relaxed and grow deeper as the Spirit works and moves.

Monday: Pray for Faith City Church in Dayton's Bluff (St. Paul): for broken and harassed people to be open to Jesus, experience healing and open up their networks of friends and family.

Tuesday: Pray for Tim & Lisa Beckendorf in Shakawe, Botswana: that their local/native translation team resumes productively as COVID restrictions are loosened.

Wednesday: Pray for LINC Twin Cities: pray for the effectiveness of LINC leaders who are on the front lines of the current issues of our city and facing big challenges. Some of these leaders are Alfrieda, Kevin, Jorge, Matthew, Dan and Miao, Abby, Rob and Glory.

Thursday: Pray for Josh & Hannah Zook, in St. Paul where their baby boy was delivered: thanks for a healthy baby and mom; for provision of a passport quickly for baby Dakota (process is backed up).

Friday: Pray this prayer, asking God for ongoing transformation

in your prayer life... *Jesus, open **my eyes** to see the broken world through **your eyes** of compassion and empathy. Give me **your heart** for people. Give me a new or renewed **passion to pray** for people. As I pray, please **show me** where you want me to take a step to engage more deeply with people, people you deeply love.*

Repeat ... Saturday through Friday. It's that simple! You are part of what Jesus is doing!

One more thing...a note of encouragement to the missionaries and ministries above would be a huge blessing. Why not choose one each week? Contact information is below:

Summer Family Camp Is A HIT This Year!

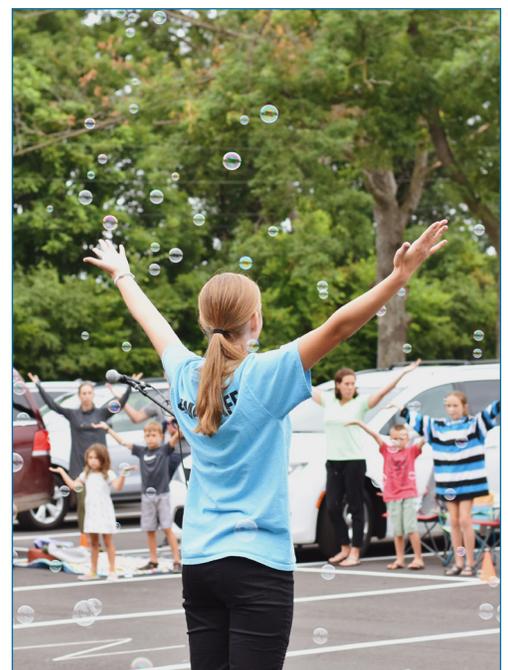

Summer Camp looks a little different this year, but we're still having a great time together! This year we put our FOCUS on God and his love for us through His creation and through His son Jesus.

Hill Campus is shown celebrating our families for going over their goal for shoes brought in during the week.

Nancy Schubbe | Director of Kids Ministry

Families came to our parking lots and picked up boxes of supplies for the week, so they could safely do activities in their home. There were links for teaching videos, songs, crafts instructions and materials, and lots of other fun things to do!

Our mission FOCUS for the week is the local organization, Shoe Away Hunger. Shoe Away Hunger offers affordable quality footwear for those in need. All money earned from shoe sales helps to raise the important dollars needed to continue feeding over 4,000 people each month through Feeding the Future programs and services. Our Pastors will help us celebrate how many shoes we collect! Pastor Dean from the Oak

Church Council Update August

In order to continue to grow in our communication to the congregation, each month we will share an update from the previous month's Council meeting. Full minutes can be found [HERE](#).

Woodbury Lutheran Church - Council Meeting
Tuesday, July 14th
6:30-8:30am

Meeting Highlights:

Worship: We had around 325 in our in person worship, which was less than we had at our outdoor gatherings. We continue to track how the re-opening has gone for others and pretty much across the board about 25% of what people had in worship before Covid are returning to in-person and with fewer people returning each subsequent Sunday.

We are going to continue with both in-person and online worship through July (unless something changes) but then in August we will likely have some outdoor options (along with online) and some smaller in-person communion gatherings.

Financially: We continue to run in the black with income being greater than expenses. We are about 200k more than where we were last year at this time for income, but our expenses are much lower.

Liberty Ridge: At this time it doesn't make financial or resource sense to re-open Liberty Ridge for in person worship and the reality is that this will not likely change anytime soon. We will be having a town hall style meeting with Liberty Ridge stakeholders on Thursday, July 30 to talk through options for what this means going forward.

Engagement: We are working hard as a staff to work through how we keep people engaged in the ministry going forward. A recent Barna study found that 1/3 of people have not engaged with their churches in worship since the onset of Covid. We have to figure out how to engage our members across a broad spectrum (young to old, families, singles etc.) moving forward.

Staying Connected

Valley Creek Campus Open Hours

The Valley Creek Campus is open Monday-Thursday from 9:00am-4:00pm and Friday from 9:00am-3:00pm if you'd like to stop in the office, pick up Portals of Prayer, visit the library, or stop in the sanctuary to pray. Please wear a mask and practice the social distancing recommendations.

Serving with Skoolie

Did you know our community has families that don't have enough food? WLC is partnering with Summer Skoolie (South Washington County Schools) to serve these families. 2-3 volunteers are needed Mondays, through August 10, to distribute CARES packs (bags of food) at Royal Oaks Elementary - right around the corner from our Valley Creek campus! The time commitment is just one hour, from 5:30 to 6:30 pm. You may sign up for a one-time service or more often.

On those same evenings we also need to provide a different socially-distanced family activity. Ideas we've thought of are a DJ dance party, chalk murals, friendship rock painting, musical entertainment, yoga in the park, or a nature scavenger hunt. We need 5-8 folks to help with this. Do you have a God-given talent or passion to share? We'd love to use your ideas and your help!

Contact Vicki Strong, 651-730-5049, or vickistrong@comcast.net to volunteer.

Pastors' Bible Study

Join pastors Tom and Paul Pfothenauer along with Vicar Quincy Koll, as together

they lead a summer Bible study looking at 1 Peter and the Minor Prophets. Join the study each Thursday from 10:00-11:30am at live.woodburylutheran.org.

Stock Donations

There are many different ways we can donate our time, talents and treasures to Woodbury Lutheran Church. One way some members choose to donate is through the transfer or donation of stocks. If you have questions or want more information on how to donate stock, please contact Trecie Horner at 651-731-3349.

Youth Summer Bible Study

Summer Bible study is a great way to continue growing in your faith and seeing your friends in person or online! 6th-12th graders bring your Bible and join us 7:00-8:00pm, runs through Aug. 5. Check out wlyouth.org for locations of MS and HS studies by campus.

Fall Youth Programming

We are planning for our Wednesday night ministries (6th-12th grades) to start back up at the VC (LR campus meets at VC) and OH campuses in September. Watch for more information this month.

FOCUS Summer Family Camp (VC)

Join us August 3-6 at the Valley Creek Campus (6:00pm Monday-Thursday)! Gather in the campus parking lot for live teaching and interactive music. Monday night there will be a box full of everything you need for a week of fun together with your kids including links to teaching videos and craft supplies to pick up.

Friends are welcome to join in the fun! Register for Summer Family Camp at Summer.WoodburyLutheran.org.

Stephen Ministers

If you are going through a difficult time, whether it's losing a loved one, having relationship struggles, financial hardships or any number of challenges one might face, WLC has Stephen Ministers who would like to walk with you through these trying times.
