Meeting Highlights:

Worship:

We talked through the survey results from those who attended in-person services. We are continuing to learn and improve both our on-line and in-person offerings. Look for a mix of worship offerings into the fall, including indoor services (unless stuff changes). The Council is very supportive of the direction of staff.

Financially:

We continue to run in the black with income being greater than expenses by almost 50k. The staff has done a great job of managing expenses.

Liberty Ridge:

On July 27th Liberty Ridge stakeholders participated in a virtual town hall meeting. We discussed

several long-term options for the Liberty Ridge community including waiting to re-launch, joining in a church merger (like our Oak Hill Campus) or closing all together.

Pre-School:

Like all schools things are very fluid, we have had several staff resign for various personal reasons and we have added Kindergarten as an offering once again. The plan is to do in-person school at this point.
