FOLLOW everyone's invited

"My sheep listen to my voice; I know them, and they Follow Me." -John 10:27

"Follow Me."

With two little words, Jesus invites us to join Him on His mission. And the beauty of His call to Follow is that **Everyone's Invited—no one is excluded.** As we Follow Jesus at Woodbury Lutheran, we couldn't be more excited about where He is leading us over the next two years.

We hear Jesus calling us to be a church that is:

- Growing in our Discipleship Impact by connecting more people to Jesus.
- Expanding our Missional Reach through local and global efforts.
- Ready to add another physical campus as He leads.
- Completely free from debt.

As we live out our vision to **Multiply Disciples and Transform Lives** in 2022 and 2023, we believe the ministry Jesus is calling us to will require \$9 million in giving. We say it all the time, "Life is better together." *Just imagine what God will accomplish through us as we all work, sacrifice, and Follow...together!*

In John 10:27 Jesus says that He knows His sheep and they listen to His voice and Follow Him. **We are asking you to pray the prayer below, to listen, and to Follow where Jesus is calling you.** Our hope is that 100% of us will take a step in our financial generosity to make everything that Jesus is calling us to a reality.

Jesus,

Following Him,

In 1966, in His wisdom, God called Pastor Paul & Rhoda Pfotenhauer to plant a church in Woodbury, Minnesota. From its beginning, WLC has been a church focused on serving the community and welcoming people from all walks of life to experience the life-transforming power of Jesus. As WLC continues to grow beyond Woodbury, our focus remains the same:

Multiplying Disciples and Transforming Lives!

Two-Year, One Fund Initiative

Total goal to provide funding for everything God is calling us to: \$9 Million

Follow is a two-year journey in which Jesus is calling WLC to increased *Discipleship Impact*, expanded local and global *Missional Reach*, and *courageous steps in Multisite*. We believe that God has placed \$9M worth of ministry opportunities in our path for 2022-2023. We will utilize a "one fund" approach (instead of an "over-and-above" campaign) to raise this amount. As we all come together **the goal is to fund our current ministry plus several new areas of emphasis that God has put before us:**

- Increased Discipleship Impact: We will Follow Jesus by investing in the ongoing ministries of WLC and preparing for future ministry to continue Multiplying Disciples and Transforming Lives.
- **Expanded Missional Reach:** We will Follow Jesus locally and globally by partnering with developing communities, feeding the hungry, and focusing on those who have yet to hear Jesus' invitation to Follow.
- **Courageous Multisite:** We will Follow Jesus by preparing to add new physical campuses as He leads, for His glory.

To fund these initiatives, our goal is to raise \$9 million in giving over the next two years.

Everyone's invited to join the journey as we Follow Jesus!

-

"My sheep listen to my voice; I know them, and they Follow Me." -John 10:27

Increased Discipleship Impact

\$7 Million

We will Follow Jesus by investing in the ongoing ministries of WLC and preparing for future ministry to continue Multiplying Disciples and Transforming Lives.

At WLC, we want to help **engage people** to become more like Jesus by walking the **Discipleship Path.** Funding the areas below will allow us to live out our vision of Multiplying Disciples and Transforming Lives:

- Paying off our debt in full!
- Refreshing, improving, and maintaining spaces on each of our campuses.
- Technology improvements that allow us to better connect the Gospel to people within WLC and outside our walls.
- Continuing the current ministries and staffing at WLC.
- Investing in a refreshed discipleship process designed to help us all follow Jesus more deeply.

\$1 Million

We will Follow Jesus by preparing to add new physical campuses as He leads, for His glory.

As we pray, listen and follow where Jesus leads, we will be ready to take the next step in multisite ministry. Funds will be used for:

- The ongoing ministry costs of our newest campus, Wakota Ridge, in South St. Paul.
- Development of a Leadership Pipeline to raise up Lay Leaders, Pastors, Worship Leaders, and Ministry Leads to be ready when God leads us to the next multisite location.
- Building a financial reserve so we are prepared to launch new physical campuses in the future.

At WLC, giving is something we do with a spirit of joy, in response to the love and forgiveness we have freely received in Jesus. Your generosity works to support ministries within our walls and to help those in need, both in our communities and globally. This generosity drives what WLC is all about: **Multiplying Disciples and Transforming Lives.**

At WLC we talk about generosity as a journey – a path that we walk on **together**. Each next step we take in generosity helps us cling to Jesus more and more and hold loosely to the things of this world.

Whether you have been giving at WLC for years or are just beginning your walk on the generosity journey, the gift chart on the next page may help as you pray, listen, and Follow where Jesus is leading you!

Below is a gift chart showing how we can reach our goal of \$9 million. Where are you today and what next step are you being called to take as you pray, listen, and Follow Jesus?

Initial: I am giving for the first time, learning to trust God with my gift.

Intentional: I am choosing an amount and giving at least once a month.

Priority: I am putting God first, choosing to give generously and in a way that impacts my lifestyle.

Fearless: I am depending on God's provision, asking not "How much should I give?" but "How little should I keep?"

Legacy: I am impacting t	he future of God's Kingdom, giving to outlast
my life.

Frequently Asked Questions

What are you asking me to do?

Everyone who calls WLC home is being asked to make a two-year generosity commitment. We serve a great God and trust Him to exceed our greatest expectations – to do more than we could ever hope or imagine through our collective Follow commitments.

Why do churches talk about money, finances, and giving?

At WLC we believe unequivocally that when it comes to being generous with our finances, God does not want something **from us**, He wants something **for us**. We serve a generous God who gave us everything in His Son Jesus. Jesus himself made money, particularly our desire for it and our use of it, a major piece of our following Him as His disciples. Follow is not about taking something from you; it is about each of us growing as disciples of Jesus in all areas of our lives, including our financial giving.

What if I can't afford to give right now?

Even in times of scarcity, God wants our hearts. The widow who gave her last coin did not make a very large financial contribution, but Jesus said that she gave the largest gift of all. Follow is about all of us coming together, giving generously, and trusting God to do the rest.

What if I'm in debt right now? Am I still supposed to give?

It's important for generosity to be a part of our life at every point. If you are in the process of paying off debt, we commend you, and you should continue to do so! However, the Bible does not teach that we withhold giving until we are debt-free...when we honor God first with our giving, He promises to be involved with every other aspect of our finances.

How is "one fund" different from a capital campaign?

A one fund generosity initiative includes all the ministry God is calling us to over the next two years. In contrast, a traditional capital campaign would ask for an extra gift "above and beyond" your regular giving.

How long will my commitment to Follow last?

We are asking for financial commitments to Follow for the 2022 and 2023 calendar years.

What if I'm new or have never given to WLC before?

If you have never given financially to WLC, Follow is an opportunity for you to be part what God is doing here over the next two years. Follow recognizes that everyone in the church is invited to take a step on the Generosity Journey, especially if it is your first step. This initiative is for all of us!

What forms of contributions will be accepted?

Contributions can be made via cash, check, and online transactions. Additional forms of contribution can include the transference of title to marketable stocks, bonds, real estate, ETFs, etc. If you are interested in contributing in one of these additional ways, please contact the WLC office at 651-739-5144.

Can I earmark where my money goes?

One of the great things about the one fund is that it encompasses every area of ministry within WLC, and there is something for everyone to get excited about! If you are a debt person you will be happy that the debt is being completely paid off; if you are excited by missions then you will be moved by the mission and reach aspect; if you have been blessed through our multisite strategy, we are preparing for the next place God leads us, and so forth. If you feel like the only way you can give is to earmark your contribution then you can always make a donation apart from the initiative, but we really hope that you will join us in Follow!

Can I update my commitment after Commitment Sunday if my circumstances change?

Yes, you may update your commitment pledge at any time! We understand that circumstances are always changing. The point of Follow is to be led by the Spirit, not to take on a heavy yoke or burden.

Is my commitment confidential?

Yes. Only our small financial team has knowledge of pledges and giving records.

Are we going to build on the Afton land?

At this time there are no immediate plans to build on the Afton land. The Church Council believes we should continue to hold onto the land for future ministry use and is in the process of developing new guiding principles for what might one day be built on that space.

Why do we need to do another multisite? Haven't we already done enough?

We believe that God is calling us to grow through new campuses and we are always looking at where He may be opening up opportunities. Jesus sacrificed His life for us, and in response we will sacrifice so that disciples are multiplied and lives transformed by coming to know Jesus.

Sermon Series

Introduction

What does it mean to Follow Jesus?

In our world today we lift the value of being a leader and making our own independent choices; to be a follower is not seen as a good thing. And yet when it comes to living out our faith in Jesus, there is no greater call and joy than to Follow.

In this series, we will be looking at all of the blessings and challenges that come from Jesus' call to Follow Him. Rooted in the truth that Jesus knows us, we are moved to a place where we listen and obey His call to Follow Him.

"Jesus, lead me to listen to your voice and follow You. Amen."

Small Group Study

Introduction

At WLC we believe that life transformation happens better in circles than it does in rows! You've heard us say one of our values is that Life is Better Together and this is expressed best in our Small Groups where we encourage and challenge one another all while doing life together.

We believe God is calling us to do some incredible things for His Kingdom as we listen to His voice and Follow Him. In this three-week study we will examine John 10:27 more closely to find out what it really means to *listen* to Jesus' voice, to be *known* by Him, and to *Follow* where He leads.

Week 1: Known

"My sheep listen to my voice; **I know them,** and they follow me."

-John 10:27

Icebreaker

- Think of a time where someone showed you love and kindness when you didn't deserve it.
- What did it feel like to be shown love or treated well in spite of your actions?

Video

What caught your attention or stirred your heart from the video?

Scripture Readings: John 10:27, Mark 2:13-17

Discussion

- Levi (Matthew) was regarded not only as a sinner, but especially hated as a traitor collecting taxes for the Roman government. Additionally, many tax collectors were dishonest and collected more than they should from their own people. What do you think it was like for Levi to live and work among his own people who hated him?
- 2. What do you think it was like for Levi to have **Jesus** notice him and have dinner with him?
- 3. What does it mean to you that Jesus sees your brokenness and loves you anyway?
- 4. How does admitting our brokenness and our need for a Savior **allow** for authentic community to occur?
- 5. What do you think is needed in order for people to feel truly known and loved?

- 6. As followers of Jesus your identity is not defined by your sin. The Good Shepherd knows you and you are His. You are a loved child of God. See the list below. What stands out to you about who God says you are and how He knows you?
 - He knew you before you were born. (Psalm 139:13-17)
 - He knows every hair on your head. (Matthew 10:30-31)
 - He calls you by name and you are His. (Isaiah 43:1)
 - You have been forgiven. (Acts 10:43, Ephesians 1:7, 1 John 1:9)
 - You are free from condemnation. (Romans 8:1-2)
 - You have been made new. (2 Corinthians 5:17)
 - You have been chosen by God. (John 15:16, Ephesians 1:11)
 - You are adopted as God's child. (Romans 8:14-17, John 1:12-13)
 - You are no longer a slave; He calls you friend. (John 15:15)
 - You are God's workmanship, His masterpiece created in Christ Jesus. (Ephesians 2:10)
 - You are a dearly loved child of God. (1 John 3:1)

Prayer

Take a moment to get quiet. Think about what got your attention from today's study session? What might God be stirring in you?

Join in "popcorn prayer" together (open for anyone to jump in). Share with God what got your attention today and what He might be stirring in you. Pray for someone else in the group.

Then close together with the **Follow** prayer:

"Jesus, lead me to listen to your voice and follow you. Amen."

Living It Out

Which of the statements from question 6 would you like Jesus to speak into you and over you this week? Write out the full Bible passage listed next to the statement on a notecard. Place the notecard where you can see it each day. Soak in the Scripture remembering how much Jesus knows you and loves you.

Week 2: Listen

"My sheep listen to my voice; I know them, and they follow me." -John 10:27

Icebreaker

- Think of someone in your life who's a really good listener.
- How do they demonstrate they are listening to you? How does it feel?
- Ponder this: Would people who know you say that you're a good listener?

Video

What caught your attention or stirred your heart from the video?

Scripture Readings: John 10:27, Luke 10:38-42

Discussion

- 1. Think about a posture of listening.
 - What might a posture of listening look like?
 - In the first session of this study we focused on the "I know them" portion of John 10:27 and being known and loved by our shepherd, Jesus. If that truth were to sink in, how might it change our posture of listening?
- 2. Think about Jesus' response to Martha and Mary in Luke 10:38-42.
 - What is the **invitation** in these verses?
 - What is the challenge in these verses?
 - As you reflect on the invitation and challenge, notice any resistance within you and be curious with compassion, not condemnation. What do you notice? **Where might that resistance be coming from?**

- 3. Sheep are safer and tend to be healthier if they stay together, versus wandering off on their own. How could we encourage one another in the journey of learning to listen?
 - How are we "better together" rather than alone? Take a moment to think about it, write down your ideas, and then share.
 - Does one of these ideas resonate with you? Which one could you "try on" this week?

Prayer

Take a moment to get quiet. Think about what got your attention from today's study session? What might God be stirring in you?

Join in "popcorn prayer" together (open for anyone to jump in). Share with God what got your attention today and what He might be stirring in you. Pray for someone else in the group.

Then close together with the **Follow** prayer:

"Jesus, lead me to listen to your voice and follow you.

Amen."

Living It Out

Practice listening to Jesus this week. Start with 3 minutes each day.

- 1. Begin by sitting still in a quiet place, free from distractions. Quietly turn your attention to God. Simply pray something like, "Jesus I'm here. Thank You that You're with me." (1 minute.)
- 2. Be quiet and rest in that truth. Notice how it feels to be still and rest in this truth. If any distractions come to mind, give them to Jesus and come back to the prayer. (1 minute.)
- 3. Ask God to teach you to listen to Him and to hear his voice. Continue to be still and just breathe. Thank Him for being your good shepherd. (1 minute.)

NOTE: Increase time to 5 minutes or longer as you feel comfortable.

"My sheep listen to my voice; I know them, and they follow me."

-John 10:27

Icebreaker

Share a time in your life when not "obeying" the rules got you into trouble.

Video

What caught your attention or stirred your heart from the video?

Scripture Readings: John 10:27, John 14:15-26

Discussion

- 1. John 14 takes place during the Last Supper after Jesus has told His disciples that He would suffer and die. They are very confused, so Jesus spends several chapters teaching and praying for them. In the words we read we see the beautiful connection between love and obedience.
 - What connection do you see between love and obedience?
 - Would you consider yourself a rule follower or a rule breaker?
 - Why do you think the concept of obedience often comes with negative connotations in our culture?
 - How does our view of obedience impact our desire to be obedient to Jesus?
- 2. Take a moment and re-read the verses on your own, then reflect and share.
 - What is the **invitation** in these verses?
 - What is the **challenge** in these verses?

- 3. Throughout these verses Jesus gives the promise of the Holy Spirit, culminating in verse 26, "But when the Father sends the Advocate as my representative—that is, the Holy Spirit—he will teach you every-thing and will remind you of everything I have told you."
 - Think about the phrase in bold above. How does the Holy Spirit remind us? Why do we need these reminders so badly?
 - Why is following the commands of Jesus **good for us?** Which of His commands do you find the **most challenging to follow**?
 - What does it look like for you to become more like Jesus?
 - How is the call to follow Jesus a call to obedience?
- 4. Where is Jesus stirring you to obey in this Follow initiative?
 - Is He calling you to step into more of a leadership or serving role?
 - Do you hear Him asking you to take a risk in your financial giving?
 - Do you sense a calling to step into more authentic community?

Prayer

Take a moment to get quiet. Think about what got your attention from today's study session? What might God be stirring in you?

Join in "popcorn prayer" together (open for anyone to jump in). Share with God what got your attention today and what He might be stirring in you. Pray for someone else in the group.

Then close together with the **Follow** prayer:

"Jesus, lead me to listen to your voice and follow you.

Amen."

Living It Out

As we walk on the *Discipleship Path*, we believe that the Holy Spirit is busy doing His work of "reminding" as we engage in Worship, Prayer, Scripture Reflection, Community, Serving, and Sharing our Stories. **Do** you sense God calling you deeper into one of those areas so you can better hear His reminders? (Share that area with your small group).
