Meeting Highlights:

- We were blessed to receive an additional 57k in income for 2019. There was a mix up with a stock gift being sent to the wrong place. We cannot change 2019 numbers at this point so it will go into a restricted account and be used in Missions, Multisite and Building/Debt reduction.
- Our January giving was 97% of expected and attendance was up by 75 over last year.
- The Liberty Ridge Action Team has run into a dead end with Presbyterian Homes. The team is going to pursue pricing out a much cheaper option through a building called Sprung. At the same time staff is working on finding indicators that will help us better understand the proper next steps for Liberty Ridge. In essence we are continuing to gather data.
- We have two merger opportunities that we are working through. There is nothing imminent at this time and if further steps are coming the congregation will be a part of those discussions.
- The Endowment Team is back up and meeting as we work toward a new strategy around legacy and long term giving for WLC.

- The new format for the Annual Meeting was well received and the time change helped to bring in a much larger number than previous years. We continue to have so much to be thankful for!
