

# SUMMER ROAD TRIP

*Faith on the Move*

**September 5 & 6, 2020**

Faith shows the reality of what we hope for; it is the evidence of things we cannot see.

- Hebrews 11:1 NLT

## Reflect

**Read the full passage in your Bible - Hebrews 11:1, 4-7, 17-40.**

What sticks out or grabs your attention from the scripture readings?

Are you picking up on a theme here...people holding tightly to the promises of God? How are you doing with that, holding tightly to the promises of God?

Walking (living) by faith is active. Notice all the verbs in Hebrews 11. How does your faith lead to action?

## Live It Out

*What is one simple step of faith that you just know you must take as you continue learning to follow Jesus?*

*As a family, with your small group, on your own or with a friend, read through the list of examples in Colossians 3:12-17. Choose one to intentionally practice this fall and commit this to Jesus.*

## Pray

Talk to God about what's stirring in your heart from the scriptures. Listen for his response.

Whose faith are you drawn to in this narrative? Ask God to give you the faith of this person. Imagine what that might look like and surrender this to God.

Thank God for the gift of faith. Thank him for his Spirit working to renew and build faith in you.
