The Power of Choice

"Now you are no longer a slave but God's own child. And since you are his child, God has made you his heir."
-- Galatians 4:7

I cannot recall ever being so excited for a coming fall and start of a new ministry season in the life of our church. We will have some incredible opportunities to step deeper into our vision of *Multiplying Disciples// Transforming Lives*. As the month unfolds you will hear more and more about an incredible opportunity that we have to partner with *World Vision* in an incredibly impactful way. You will not want to miss any Sunday in September, but this will be especially true for the weekends of the 21/22 and 28/29. Please, please, please do whatever you can to make sure you can be in worship at any of our three campuses those weekends.

Have you ever thought about the power of being able to choose? From the moment I wake up, to the moment I go to sleep, my life is filled with choices; what am I going to wear, what will I eat, which car will I drive, which bed will I sleep in, which of the 700 TV channels will I watch and on and on it goes. Now for a moment imagine your life devoid of the power to make virtually any decisions, let it sink in, what would that be like?

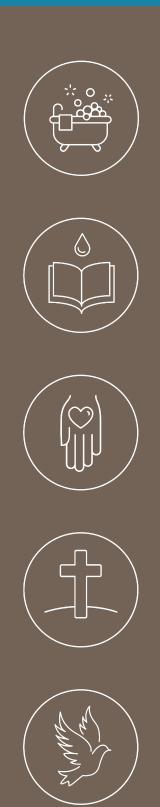

For many in our world, especially children this is their reality. Now imagine what would happen if they were empowered to make a life changing choice that involved you! How cool would that be, to be Chosen by a child who has virtually no other choices in their lives. As we launch into Chosen this fall this is the opportunity that is before us as a congregation.

There is power in choice, but the greatest choice that has ever been made is the truth that God chose you. I was talking to one of our members about this truth just the other day and here is what they said, "Even as an adult, I am amazed that the God of the universe would choose me, cheer me on, give His life for me, forgive me and love me unconditionally."

Wow, in Jesus God chooses you – "you are no longer a slave but God's own child. And since you are his child, God has made you his heir." There is lots of work to do for Jesus, but for this moment just rest in the truth that He chooses you to be His very own child. Yes, there is power in choosing and God has Chosen you!

Blessed to be chosen, Pastor Tom

Living As A Child of God

"He saved us, not because of the righteous things we had done, but because of his mercy. He washed away our sins, giving us a new birth and new life through the Holy Spirit." Titus 3:5. Baptism is near and dear to a Lutheran's heart. Foundational to our understanding of God is the truth that we are the recipients of God's grace through no goodness of our own, but because of Jesus' life, death, and resurrection.

Loved:: Saved:: Changed

Ephesians 2 gives us a clear picture of our sinful state: "Once you were dead because of your disobedience and your many sins." (Eph. 2:1) Left to ourselves that dead-ness continues; we have no power to break out of that condition. But then verse 4 describes the truth that changes everything: "But God is so rich in mercy, and he loved us so much, that even though we were dead because of our sins, he gave us life when he raised Christ from the dead." God's love for us, his desire that he would be our God and we would be his people, is at the center of his nature. In his mighty power he raised Jesus from the dead and gave us that same resurrection. Loved in spite of our sin. Saved through Jesus death and resurrection.

In baptism, ordinary water combined with God's all-powerful word, changes us from enemies of God to his children. Young or old, God offers this baptismal grace to all. And on the other side of baptism we experience a changed live, a new life lived by faith in Jesus.

On the weekend of September 28 and 29 we're wrapping up our September sermon series called Chosen // Radical Reversal, where we'll see over and over again how Jesus has loved, saved, and changed us by choosing each of us as his own child. The series culminates with a Baptism weekend--a chance for anyone who hasn't been baptized to receive God's grace in that way, and a chance for anyone who has been baptized to celebrate the gift they've been given. Baptism weekend will be celebrated at each service at each of our campuses.

If you would like to be baptized or if someone you know would like to be please let us know! Call or email Kandi Chavie in the church office, or click here to register. Baptism classes for all ages will be held on Saturday, September 7 at 9:30 a.m. at the Valley Creek Campus, and Saturday September 14 at 9:30 a.m. at the Oak Hill Campus. These classes are optional but are a great way to learn more about what we believe about baptism and what it means to live as a child of God.

LIBERTY RIDGE UPDATES

Here are some quick updates from our Liberty Ridge Campus:

- We are looking forward for fall and the opportunity to reconnect after summer travels and obligations. We are having a Liberty Ridge Campus BBQ to kick things off after worship on September 8.
- We had an awesome Camp in the Park at Stonemill Farms in Woodbury.
 Around 40 kids participated. Every day but the last, at least one child brought a friend with them to camp. We had an incredible team of servants who helped make it all possible.
- The church council has started a Ministry Action Team to explore options for a permanent future for the Liberty Ridge Campus. This is an exciting time! Please pray that God would open the doors that need to be opened and close the ones that need to be closed. Questions? Contact Pastor Tom. Pastor Jon or Council President Renee Boehme.
- On Sunday, August 25 we had a Vision Sunday with a meeting before worship focused on where God is leading Liberty Ridge as a campus and refocusing ourselves on the vision and mission of WLC. Join us in praying that God's name would continued to be glorified as we seek to Multiply Disciples // Transform Lives at Liberty Ridge.
- Are you interested in experiencing what Liberty Ridge is like? A number
 of people have volunteered to help with setup and teardown on one
 Sunday to experience it for themselves. If you're interested in helping for
 a one-Sunday experience, email Keith Heintz at kdheintz@mmm.com.

Bangladesh This Is A True Story

Take a look at the graphic below. Each square represents 1 person, so what you see there represents 100 people – women, men, children. Babies, grandpas, sisters, aunties. Farmers, homemakers, business people, cashiers, taxi drivers. All walks of life – rich, poor, in-between. They have this in common: each was created by and is loved by the God of the universe. The God that we worship; the One whose Son died on the cross for them, and us.

Notice something ... one of the squares has a bit of color in it. Do you see that? That color represents the number of people in a country that confesses that Jesus is Lord. It's just 0.7% of the total population. Are you curious? Want to know what country this is? It's Bangladesh – the 8th most populous nation in the world. Almost no one there knows about Jesus – mission experts call the Bangladeshi people an "unreached" people group. What should the Church do about the people who live there? What should Woodbury Lutheran do?

Quito Mission Experience 2019 Lord Prepare Me

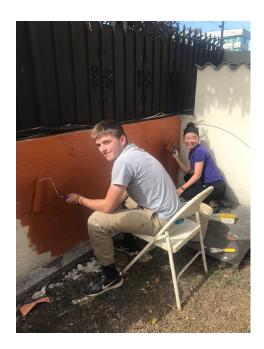

Not even a little stomach virus could keep our team from the blessings of being in Quito with our South American friends. Fortunately, we weren't all sick at the same time. God prepared us and blessed us to be able to keep working on our relationships and projects at Casa Adalia and Casa Gabriel.

We had the pleasure of painting the exteriors of both houses along side some of the residents and staff. Rick worked on some plumbing issues at both houses throughout the week as well. The staff, the residents of Casa A, their children, and the Casa G guys joined us for a time of service in a city park one day. We weeded a garden, cleaned gutters, played with the kids, and stained a pergola. We loved seeing progress in our relationships with those who live there, and within our WLC team.

South Americans value relationships most over projects. We learned quickly that if we were busy working, and someone wanted to just talk, we stopped what we were doing and engaged in conversation instead. It's a beautiful thing! We enjoyed a church service with the Casa G boys and staff, shared many meals together, played soccer, and toured parts of the city together.

A very special part of our time with our friends in Quito is when testimonies are shared by members of our team and the residents of Casa A and Casa G. It was powerful to have heard about God's hand in the lives of those who shared their struggles and their joys in life. The Lord blessed us and prepared us, and continues to do so for what He has for us all for His Kingdom work.

Feeling Stuck in Grief

On my way to a funeral in Duluth, I got caught up in an unexpected shower. The sky was dark and the rain was coming down quite hard. It brought to my mind that, especially when we're struggling with the death of a loved one, grief can spring up unexpectedly at any time. So much of the time, those around us don't fully understand what we are experiencing. Their world continues moving forward, and we find ourselves stuck in place. We may feel like we are alone.

In those moments when you are feeling stuck and alone, God promises his presence. Grieving is a part of the process after the death of a loved one. If you would like help with your grieving, come to the grief support class starting Monday, October 7, at 6:30 pm at our Valley Creek Campus. I will lead you, through a series of video clips and God's promises in Scripture, through your grief.

Registration is not required, but it is preferred. Please call me at the church office if you have any questions, and let me know of your desire to attend the class.

Peace, Pastor Tim

5 Classes:

1. Mercy Triumphs: The Life of James, study from Beth Moore, Facilitated by Lauren Danner

Bible scholars compare James to the prophet Amos. In other ways James more closely resembles the Book of Proverbs than any New Testament book. Come along on a journey to get to know both the man and the Book of James. You will never be the same again. Topics include: > Joy >Hardship >Faith. >Reversal of fortunes for rich and poor >Wisdom >Gifts from above >Single-mindedness >The dangers of the tongue >Humility >Prayer

2. No Other Gods, a DVD driven Bible study from Kelly Minter, Facilitated by Diane Panning

Often, idols are obvious—money, power, fame. But subtler idols can sometimes take the form of loved ones, Instagrammable interiors, and busy seasons of work, motherhood, or ministry. But if your heart is prioritizing any of those pursuits before God, you're missing the unrivaled joy and adventure of Jesus being your heart's ultimate treasure. Learn to identify the functional gods you may be unknowingly serving and the lies they tell. As you dethrone your modern-day idols, you'll be set free for the deeper, more abundant life Jesus came to give you—discovering that Jesus can do what no other god can.

3. He Speaks to Me", Preparing to Hear from God, a Bible Study from Priscilla Shirer, Facilitated by Janet Harrison & Lori Golden

A common question of many Christians is, "How can I know when God is speaking to me?" Priscilla uses the account of God speaking to Samuel in 1 Samuel 3 to show how God speaks to Christians and how we can discern His voice and position ourselves to respond. In this exciting adventure, participants will discover how God spoke to Samuel, Samuel's response, and how He speaks to believers today; they will be encouraged to listen and respond to God's voice; and by listening to God's voice and obeying Him, women will experience spiritual growth, Christian discipline, and the desire to serve.

4. The Book of Mark - from the "Shepherd's Notes" Series - "When you need a guide through the Scriptures," Facilited by Marlene Otterson

Shepherd's Notes are designed to give you a quick, step-by-step overview of each book of the Bible. They are not meant to be substituted for the biblical text; rather, they are study guides intended to help you explore the wisdom of Scripture in personal group study or group study and to apply that wisdom successfully in your own life.

Finding God Faithful, a DVD driven Bible study from Kelly Minter, Facilitated by Joy Ostrom

THIS CLASS IS SPECIFICALLY FOR YOUNG MOMS

Finding God Faithful will trace the path of Joseph's life in the Book of Genesis to observe how God's sovereignty reigns, even in our darkest moments. Learn to recognize when God is working during periods of waiting, trust God's plan when life doesn't make sense, and rest in the sufficiency of His presence in every circumstance. His provision is enough, His presence is constant, and His purpose is unstoppable.

Chosen // Radical Reversals

DATE RANGE :: 09.07.19 - 09.29.19

We have all seen or experienced radical reversals. We see it in the addict who suddenly is clean, the atheist who rabidly believes and on the field where certain loss is turned into victory. As amazing as those reversals are, nothing can compare to the Radical Reversal that Jesus

brings into our lives as He Chooses us to be His adopted child, no longer a slave, but now a daughter, a son.

Week # 1 | 09.7/8 -- Nobody to Somebody

Readings

- O Primary Reading :: 1 Peter 2:1-12; Key Verse :: 1 Peter 2:10; Secondary Reading :: John 15:12-17
- We Value our Community // Serving and Welcoming

Through Jesus a Radical Reversal takes place in our lives, one where we are Chosen to be in His family, "Once you had no identity as a people; now you are God's people. Once you received no mercy; now you have received God's mercy." Out of this incredible reversal we now live such good lives among our unbelieving neighbors that one day they too might know the joy of being Chosen.

Week # 2 | 09.14/15 -- Broken to Forgiven

Readings

- O Primary Reading :: Luke 7:36-50; Key Verse :: Luke 7:47; Secondary Reading :: 1 John 4:7-11
- We Value Compassionate Care // Bringing Hope to the Hurting

Through Jesus a Radical Reversal from being broken to being forgiven takes place. When we grasp the depth that we have been forgiven it will lead us to love others with a radical love, for the one who has been forgiven much will love much.

Week # 3 | 09.21/22 -- Despised to Cherished

Readings

- Primary Reading :: John 4:1-29, 39-42; Key Verse :: John 4:42
- We Value Compassionate Care // Bringing Hope to the Hurting

The Radical Reversal of Jesus moves us from despised to cherished. As Jesus comes face to face with a Samaritan woman despised by her community, He chooses to love her and show her that she is cherished. Jesus does the same for us so that we can do the same for others as we share the good News that Jesus is the Messiah.

Week # 4 | 09.28/29 -- Slave to Child

Readings

- Primary Reading :: Galatians 3:26-4:7; Key Verse :: Galatians 4:7
- We Value Movement: Faith Doesn't Stand Still

In our baptisms Jesus Chooses us for the greatest Radical Reversal of all, "Now you are no longer a slave but God's own child. And since you are His child, God has made you His heir." Today soak in the truth that Jesus Chooses you!

STORYTELLING TIMELINE

WE WILL TELL THE NEXT GENERATION THE PRAISEWORTHY DEEDS OF THE LORD, HIS POWER, AND THE WONDERS HE HAS DONE. (PSALM 78:4)

Every family has a story. Too often our families are bogged down in the day-to-day and forget we are part of something bigger. As parents and grandparents, we get the privilege of bringing context to the unique history of our families.

Take time this month to remind your children and grandchildren that they can be part of God's big story by creating a Storytelling Timeline.

WHAT YOU'LL NEED

- butcher paper or poster board
- markers

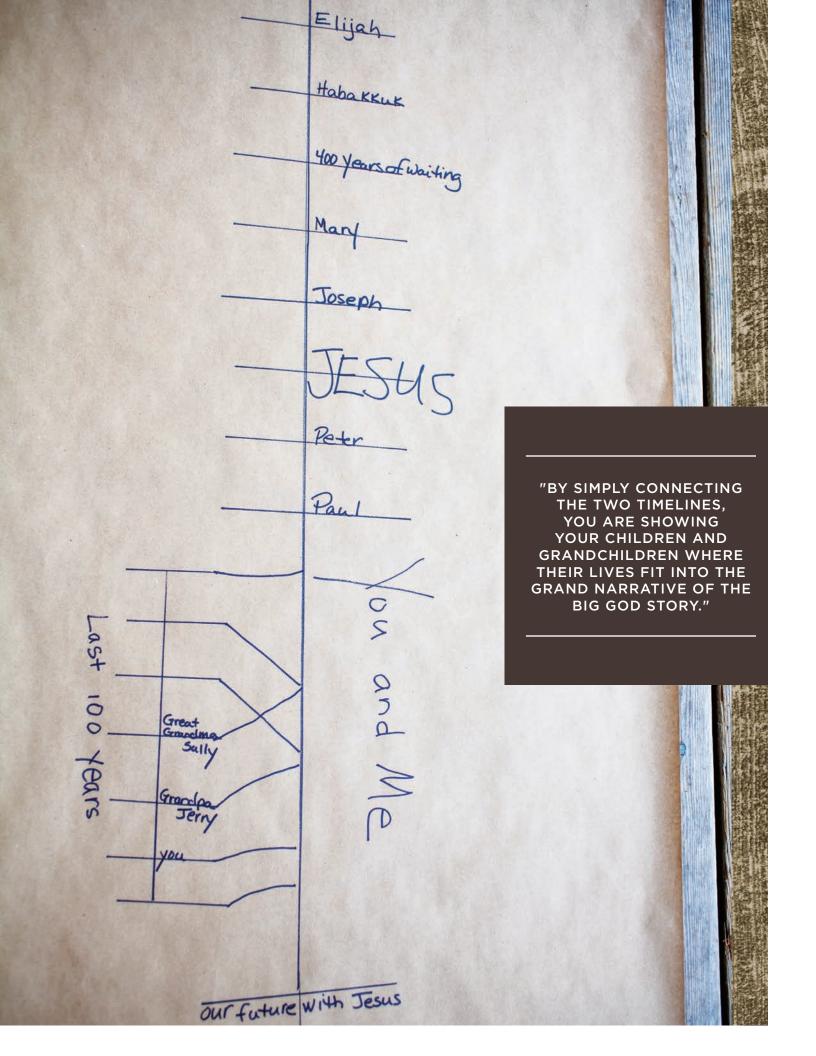

WHAT YOU'LL DO

- Begin by drawing a timeline and listing some familiar names from The Big God Story.
 - Old Testament: Adam and Eve, Noah,
 Abraham, Joseph, Moses, Joshua, Deborah,
 Ruth, Elijah, etc.
 - New Testament: Mary, Joseph, JESUS, Peter, Paul, etc.
- After the New Testament names, leave a large gap and label it "You and Me."
- 3. Then, at the end of the timeline, mark Jesus'

return.

- 4. Make another, smaller timeline on the bottom of the butcher paper or poster board and label it "Last 100 Years."
- 5. On that timeline, begin adding names and birth years of your family members over the last 100 years. Allow your children and grandchildren to fill in their own names.
- 6. Now, draw a line from each person's name on the "Last 100 Years" timeline up to the big timeline above.
- 7. As you connect the lines, share as much as you know about each person, especially when it comes to his or her faith in Christ and how God has used or is currently using that person in His story.

By simply connecting the two timelines, you are showing your children and grandchildren where their lives fit into the grand narrative of The Big God Story. Share with them that their lives are just as much a part of God's story as were the lives of the people recorded in the Bible. Remind them that God has a unique plan for their lives and wants to use them to continue sharing His story and inviting others into relationship with Him.
