

Woodbury Lutheran Church Child Safety

- Your child's safety is important to us. At check-in, your family is assigned a code printed on your child's name tag and a corresponding security tag that you keep.
- For your peace of mind, all of our volunteers have been trained and screened and are ready to care for your child.
- If you have any questions about child security, please contact Nancy Schubbe at 651-739-5144.
